ALL AMERICAN STEAKHOUSE AND SPORTS THEATER OPENS TOMORROW AT MEADE CENTER

The restaurant is the first tenant open for business at the Meade Center in Odenton

BALTIMORE – Klein Enterprises announced today that the All American Steakhouse and Sports Theater, a casual dining steakhouse, will open tomorrow, Tuesday, November 3, 2015, at the Meade Center in Odenton, located across Rt. 175 from Fort Meade. It will be the restaurant's eighth location in the region and the first tenant to open at the Meade Center developed by Baybridge Properties and leased by Klein Enterprises/Metropolitan Management, LLC.

"Right now, there is a lack of restaurant options in the Odenton area to serve those working at Fort Meade, the National Security Agency and National Business Park," said George Jones, co-owner of All American Steakhouse and Sports Theater. "We're eager to begin filling that void tomorrow by offering great dry-aged, hand-cut steaks and a nice bar to watch area sporting events."

The All American Steakhouse and Sports Theater is the first phase of the Meade Center project to be completed. Construction on the restaurant began in April of 2015. The second phase of the project includes a 29,800 square foot center with approximately 14,300 square feet of first floor retail space and 15,500 square feet of second floor office space. Phase two is expected to be complete by the last quarter of 2016.

"We're excited for the All American Steakhouse and Sports Theater, the first phase and anchor of the Meade Center, to open," said Patricia Palumbo, Director of Leasing and Marketing for Klein Enterprises. "With construction on the second phase of the project now underway, we're eager to offer the Odenton community more access to additional businesses and services."
