Construction Completed on The Park at Winters Run in Harford County

One-, two-, and three-bedroom apartments available to lease

(BALTIMORE) – [Klein Enterprises](#) announced today that construction has been completed on [The Park at Winters Run](#), a mixed-use apartment community situated on 17+ acres in Bel Air, Md., between the Bel Air Bypass (U.S. Route 1) and Bel Air Road (U.S. Route 1 Business).

Each apartment unit touts 9-foot ceilings, walk-in closets, central air conditioning, a full kitchen with steel-finished, energy star appliances and granite countertops, a full-sized washer and dryer, and a patio or balcony. Many units also have internal access to garage parking, as well as elevator access. The building is comprised of 288 apartment units.

Community amenities in The Park at Winters Run include parkland and patio spaces, a 24-hour fitness center, a saltwater swimming pool, a pet wash area, a clubhouse with entertainment kitchen, a game room with billiards, shuffleboard and card tables, a playground, an outdoor patio with grill and fire pit, a 24-hour business center, free Wi-Fi in common areas and 24-hour maintenance. A future retail component is planned for the property.

“Between the convenient location in Harford County and the luxurious amenities within each apartment, this community has it all,” said Michael Klein, CEO of Klein Enterprises. “We’re looking forward to welcoming more residents and getting this community fully leased.”

One-, two-, and three bedroom apartments are still available for leasing. [The Dolben Company, Inc.](#), manages the property from the onsite leasing office in the clubhouse.
