KLEIN ENTERPRISES RELEASES UPDATE ON THE VILLAGE AT ODENTON STATION

Ruth's Chris Steak House under construction; Kiddie Academy and Physiotherapy Associates have opened

BALTIMORE – [Klein Enterprises](#) announced today that construction has started on [Ruth's Chris Steak House](#), and [Kiddie Academy](#) and [Physiotherapy Associates](#) have both opened at The Village at Odenton Station, located in West Anne Arundel County opposite the Odenton MARC Rail Station.

Ruth's Chris Steak House, ranked first among other nationally known fine dining restaurants for three consecutive years by *Nation's Restaurant News* magazine, expects to open by Labor Day. Ruth's Chris will feature a bar, open dining room, banquet rooms and an outdoor patio. The restaurant will offer a new Sizzle, Swizzle and Swirl lighter fare menu, a catering menu, and a new option of curbside service for MARC commuters.

Physiotherapy Associates, a prominent national provider of outpatient physical and occupational rehabilitation that will share space with Advanced Spine and Pain, and Kiddie Academy, a licensed educational childcare center for more than 100 children, both opened in early April. Both businesses chose The Village at Odenton Station due to its prime location and proximity to key roadways, schools and places of business, including: Route 175, I-70, MD 32, the Odenton MARC Rail Station, Odenton Elementary School, Fort Meade, the National Security Agency and National Business Park.

"With the opening of these businesses at The Village at Odenton Station, we are able to provide the community with a diverse range of services – dining, childcare and health," said Trish Palumbo, Director of Leasing for Klein Enterprises. "We want The Village at Odenton Station to provide the community with the amenities it needs."

The Dolben Company is the owner and developer of The Village at Odenton Station, while Klein Enterprises handles the leasing.
